

Hernandez Outreach for Christ

We are Steve and Sara Hudson and we have put together a ministry that partners with a semi-local pastor to do the Lord's work in various places in Chiriquí and the Comarca. His name is Pastor Genaro Hernandez. We also work very closely in this ministry with David and Yvonne Oldenburg. Often times we work in different locations and sometimes we are together. However, we are both partnered with pastor Hernandez in all that we do.

Pastor Hernandez preaches the Good News of Jesus Christ in several areas of the Comarca, but primarily in the Soloy and Stones Creek areas. He travels to Soloy twice each week and to Stones Creek every other week. He has been serving there for seven years now and also pastors a church in Chiriquí. There, he preaches twice on Sunday and also on Wednesdays. He preaches the complete Word of God straight from the Bible. Many Ngobe Indians have come to Christ as a result of Genaro preparing the hearts of the people and allowing the Holy Spirit to do His work. He also visits those who are sick in the Chiriquí and Los Lomas areas to witness to and pray for them.

We come alongside Pastor Hernandez and visit one or more of these areas at least once a week. We help to meet many needs of the people Genaro is reaching. We truck in food, water, clothes, shoes, bibles, etc. on a regular basis. When we first got to know Genaro in September of 2015, the Lord spoke to us and told us this was where we were to serve. He also led us in *how* we were to serve. We were to help meet the needs of these people and use that as a door, a gateway, into their lives to share the gospel – and we have been doing it ever since.

We would love to have you join us in our weekly trips to the Comarca as often as you would like. We drive in and fellowship with the locals, love on the kids, attend Pastor Hernandez's service, and share the Gospel in whatever the Lord directs. We always have a great time and welcome any and everyone.

If you would like to help support the ministry, but don't quite feel up to trekking into the Comarca with us, we can always use your financial support. Pastor Hernandez needs funds to purchase Spanish Bibles, food for the church body, gas and maintenance for his vehicle, benches for the churches, and much more. All that we do is in His name and for His glory. Join with us in helping to share the Good News in Comarca!
