

## Ephesians 6:4 ESV (English Standard Version)

Fathers, do not provoke your children to anger, but bring them up in the discipline and instruction of the Lord.

### **Sermon Notes**

In contrast to what parents are not to do (covered last week), what are they to do?

“of the Lord.”

How can I model grace well?

How can I share (spiritually or otherwise) with my adult children (or virtually anyone else)? What things should be done? What things should be avoided?
