

I am Yvonne Oldenburg-Adamson, co-founder and administrator 7+ years of **Missionary Assist Panama**, 501c3, (**MAP**) and this is me with my husband Enoc Adamson. We volunteer to help pastors and missionaries carry out the Great Commission in Panama by:

- Providing Bibles
- Help finance Pastor training and Sunday School Teacher training.
- Volunteer and collaborate with other mission teams.
- Use our MAP tools on construction projects and do related construction.
- Help provide funding for expanding and building churches.
- We collect, sort, and distribute donated clothing for the many various outreaches.
- We build benches for seating for basic churches.
- We provide food for programs that preach God's Word and disciple Christians.

We are familiar with many of the ministries working in this region and some throughout Panama. We contribute to those that the Spirit leads us as needs and funds are available. We are not in competition with them, we are here to serve them and help them spread the Gospel as God has led them.
